

AFRICA - UAE REAL ESTATE INVESTOR ROADSHOW

10 – 13 NOVEMBER 2025

DUBAI - AFRICA TOUR: ENABLING ACCESS TO THE FUTURE

Over the past two decades, Dubai has emerged as a blueprint for rapid, innovative urban development, growing from a modest trading port to hosting some of the world's most ambitious real estate projects. It is now the hub for African expansion for investors, family offices, wealth funds, multinationals, professional firms, hotel brands, retailers and more.

Dubai and the UAE's property sector showcases groundbreaking achievements in sustainable development, technological integration, and innovative urban planning. Dubai has pioneered concepts like The Sustainable City, a net-zero energy development spanning 46 hectares, demonstrating how desert environments can be transformed into self-sustaining communities. The city's commitment to sustainability is further evidenced by its target to reduce energy demand by 30% by 2030 and will be a key focal point of this year's tour.

GAIN PRACTICAL INSIGHTS & CONNECTIONS IN THE WORLD'S MOST DYNAMIC CITY

The Africa – UAE investor mission aims to facilitate strategic connections between African property investors and developers and the Dubai real estate investor community, global brands and their leaders seeking to expand into new markets in Africa. The world's next key market for investors, developers and brands.

During the tour, attendees will visit and be provided with access to real examples of cutting-edge projects and development and uncover how they operate. Critically, important breakfast networking and content sessions covering macroeconomics; city planning and residential trends; sustainability, capital raising & hotel development, logistics; retail trends; tech & AI; occupier and workplace trends; food & beverage & more will take place every morning before site visits.

1

Create direct networking opportunities between African and Dubai Developers, Professionals, Retailers, Hoteliers, Investors, & others across the value chain.

2

Study Dubai's innovative approaches to approaches to urban & project development, town planning & global residential trends.

3

Explore JV opportunities, capital raising & investment modelling & more.

4

Access new networks, technologies & best practice & global trends emerging from Dubai.
